

## **PRIVACY POLICY**

Updated May 08, 2020

Your privacy is very important to us. This Privacy Policy (“Policy”) is provided by Aiperion LLC (“Aiperion”, “we”, “our”, or “us”) and sets forth our practices regarding the collection, use, storage, sharing, disclosure and protection of personal information collected by Aiperion and our third-party providers through our website, software and online community forum (collectively “Sites”). By using our Sites, you are consenting to the collection, storage and use of your personal information as described in this Policy. If you do not agree to this Policy, you are not permitted to use the Sites.

### **Personal Information We Collect**

The types of personal information that we collect on our Sites may include, but is not limited to, names, addresses or other contact details.

In addition to the personal information described above, we collect certain information regarding your use of our Sites.

We do not seek to collect or process sensitive personal information, unless necessary.

### **Sources of Personal Information**

We may collect information about you through various means. This information may be provided to us directly by you or another person on your behalf or we may obtain information in relation to any transactions between you and us. We may also receive your information from our affiliates, third parties, or publicly accessible sources, such as the Internet. Additionally, we and our third-party service providers use cookies to collect and store information about your visit to, and use of, our Sites in order to optimize the user experience, provide security and improve our Sites.

### **Sharing Personal Information**

We may provide your personal information to our affiliates and to third-party service providers that assist us in servicing your account and have a need for such disclosure. We require third-party service providers to protect the confidentiality of your information and to use the information only for the purposes for which we disclose the information to them. We may be required to provide your personal information to comply with legal, tax or regulatory obligations. We may share your personal information with a potential buyer, transferee, merger partner or seller and their advisers in connection with an actual or potential transfer or merger of part or all of our business or assets, or any associated rights or interests, or to acquire a business or enter into a merger with it. We do not share or sell your personal information to third parties for their own marketing or other purposes.

### **Marketing**

We will not use your personal information for marketing purposes if you have informed us that you do not wish to receive marketing materials from us by making the request through your Aiperion contact or by sending us an email at [contact@aiperion.ai](mailto:contact@aiperion.ai).

### **Protecting Personal Information**

We have implemented appropriate security measures to protect your personal information from being accidentally lost, used or accessed in an unauthorized way, altered or disclosed. These measures include safeguarding computer hardware and systems, securing files, and ensuring proper building security.

### **Retaining Personal Information**

We will retain your personal information for as long as it is necessary to fulfil the purpose for which it was collected or to comply with legal, regulatory, accounting, reporting, or internal policy requirements, or for the establishment or defense of legal claims.

### **Website Links**

This Policy is not applicable to linked third party websites that we do not own or control.

### **Policy Amendments**

Aiperion reserves the right to modify or amend this Policy from time to time and you are responsible for regularly reviewing this Policy.
